TWO VICTORIES IN ONE NIGHT

GIRLS BASKETBALL SQUAD WINS TWO GAMES IN ONE EVENING.

Eustis Humbled by One Team In DeLand. Other Team Defeated Sanford in that City.

The girls basketball squad will no more be content to win but one game at a time. They have met two rivals on the same evening and come off victorious and having once experienced the exhilaration of battling against odds will no more be satisfied with less.

The Eustis team was met and vanquished in ye Cummings Gym. The trouncing was administered before a fair crowd, but the said trouncing did not meet with unanimous approval. In fact the Eustis team put up some serious opposition; more so than the score would indicate.

Stetson lead from the start, but the first half was close enough to be interesting, neither side seeming to out play the other to any perceptible degree. Even in this half the Stetson team work was the deciding factor. In the second half Elliot substituted for Gumm, Phillips for R. Haynes and Woodall for Woodard and things started to happening. Elliot and Smith worked together like a well regulated machine and kept the Eustis defence dazed while Woodall put up a magnificent defence for Stetson. It was a good game thru out—from a Stetson view point. Each Stetsonite appeared to advantage. The final score was Stetson 24, Eustis 7. The band kindly furnished music for the occasion.

The game in Sanford was a more hotly contested one. This game was the third game with Sanford, and the Stetson girls by taking this game made a clean sweep of the series. Judging from the last game in Sanford the girls of the "celery city" are rapidly improving. They put up a bitter fight to keep Stetson from taking the third and last game, but the wearers of the white and green fought gamely back and when the whistle blew the score was Stetson 10 and Sanford 6. As may be seen from the score both teams put up a strong defensive game. The COLLEGIATE was unable to secure the Sanford lineup and the box score.

Stetson's lineup was: Forwards, Bob Kruse and Mary Templin; jumping center, Mena Bates; running center, Olga Bowen; guards Marie Allbritton and Delta Haynes.

VARSITY CLUB.

The Varsity Club held their weekly meeting Friday evening at their room in DeLand Hall. There were not as many in attendance as usual because of the fact that a number of the members were engaged in various social functions. However a brief program which proved interesting to all was given as follows:

Recitation—Charles Walker.

Debate: Resolved, that the government should permit munitions of war to be shipped from this country to the belligerents abroad.

Affirmative, Petterson and Packard. Negative, Zeigler and Bugg.

The Varsity Club will debate the same question next Friday evening and another group of debaters will handle this great question. A fine debate is expected and every member should be present

EUSOPHIAN LITERARY SOCIETY

The meeting of the Eusophian Literary Society last Friday night was very brief, due to the fact that there were so many other things going on the same evening. The regular business was dispensed with and the program was given extemporaneously.

There will be a regular program next Friday night and all the members are urged to be present.

KENT CLUB.

The Kent Club met, as usual, Friday night. Due to the small attendance occasioned by other attractions, the program was postponed to next Friday night and the Club adjourned. A large attendance is desired for the next meeting.

STETSON LIT.

The Stetson Literary Society met last Friday evening in the Lit. room.

As many of the members had other engagements, the meeting was cut short. The following program was rendered:

Stetson Star—Miss Mary Hulley
Parliamentary Practice—Earl Shuflin.

Address—Earel Roebuck.

The Stetson Literary Society has arranged two debates to take place during this term. One of the debates is with Sanford High School, the questions being, Resolved; that it is unnecessary for the Present Congress to increase the facilities for National Preparedness. The Stetson Team, yet to be picked, will uphold the negative side of the question. The other debate is with Duval High School of Jacksonville.

SENIOR LAW MEETING.

The Seniors of the College of Law held a class meeting on Monday. Besides the ordinary routine business, a committee was elected to arrange for space, etc., in the annual.

Dean Carson is absent from school this week attending the Grand Lodge in Jacksonville. Prof. Baldwin is taking the Dean's place in the Chapel exercises.

MASS MEETING SUCCESSFUL

MEETING WAS FAIRLY WELL ATTENDED AND ENTHUSIASM WAS GOOD.

Over Two Thirds of amount Desired was Subscribed.—Committee Appointed to Collect Balance.

The announcement made in chapel last Friday morning, calling for a mass meeting of the young men, was effective. There was a crowd of approximately fifty fellows present. A meeting was called for 7:15 Thursday evening but there was such a small number of fellows present and consequently nothing was done. Perhaps the reason for this was that it was Y. M. C. A. Night and that everyone was extremely busy with other things.

Prof. Smith took charge of the meeting. His remarks were in regard to the favorable conditions of the baseball situation, especially the athletic side of the question. The fact that we have an excellent coach and plenty of most excellent material was the subject of a few passing remarks.

The question of providing the team with suits was then considered and the necessary amount of financial help for this expense. It was stated that \$50 would be required to defray this expense. If the student body would bear this burden there were good prospects of securing some aid from the citizens of DeLand in case it were needed. At least, that was the opinion of Prof. Smith. Then subscriptions were called for. Prof. Smith headed the list by giving the sum of fifteen dollars. This was followed by nice sums from the fraternities and by the student body in general. It shows that the students are behind this phase of athletics and are willing to give their loyal support as has been the custom in ancient times. After a few minutes of taking subscriptions the sum of \$103 had been pledged, but then there were still two fraternities that had not pledged anything. By this time their donation is probably known and the required is probably subscribed.

A committee consisting of the following young men: Walker, Young Liddell, Lourcey, and Leonard, was appointed to collect the pledged sums. Everyone was urged to pay up as soon as possible in order that the suits might be ordered without delay.

There were enthusiastic speeches given by the Business Manager of Baseball, by Coach Hollander, and others. In fact, the spirit shows that the student body is behind this movement and willing to do their share in supporting baseball for this year.

Hilda Budd, telling of the Christmas customs at her home, "You know we always drink to each others health on Christmas morning, but we didn't this Christmas, for we all had the grippe." But we can forgive her for she "is an Englishman."

Miss Margaret Frary spent the week end at her home in Eustis.

VESPER SERVICE.

Last Sunday marked the return of the Vesper Service to the accustomed hour of four.

After the reading of the Scriptures by Dr. Hulley, Mr. Honneycutt sang "O, Divine Redeemer" (Charles Gounod). Following this a trio from Elijah, "Lift thine eyes, O lift thine eyes," was rendered by Miss Nellie Kruse, Miss Lord, and Mrs. Bow.

Dr. Hulley delivered a very forceable talk on the subject of "Songs in the night." He brought out the thought that God gives joy in the midst of sorrow. He also showed that many of the world's greatest men produced their masterpieces during the hours of affliction. The anthem, "I Am a Pilgrim, I Am a Stranger" was sung by the Vesper Choir as a closing number.

DR. PERSER LECTURES.

Dr. Perser, connected with the educational department of the Foreign Missions Board of the Southern Baptist Convention, spoke to the members of the Y. M. C. A. and the Y. W. C. A. in the Christian Association Room immediately after supper Sunday night.

Dr. Perser showed very clearly the value of mission study. He showed that mission study enabled one; to learn the social life of other nations; to keep up with the events of the world; to learn more about Christ; to find ones place in the world and to know ones self better.

The members of the two associations appreciated very much Dr. Perser's talk and hope to start some mission study classes at Stetson.

SIGMA NUS BUSY.

The executive committee of the Florida State Association of Sigma Nu met in Tampa on the 16th. The object of the meeting was to bring about a closer organization, thruout the state of the alumni of Delta Nu and the alumni of sister chapters now residing in Florida. Mr. Thomas L. Jackson, Corresponding Secretary of the Association, and Mr. Fairfax T. Haskins, representative of Delta Nu were the DeLand representatives. A constitution and by-laws were drafted by the committee and will be submitted to the state convention for adoption. The convention will be held in DeLand this year but the date has not been definitely set but will probably be during the latter part of February or the first part of March.

Another other old Stetson students who were present at the meeting in Tampa were Claude C. Jones, President of the State Association and Hamilton McPherson, Secretary and Treasurer.

Herbert Bishop of Stetson Hall spent the week-end at Eldridge, Fla., visiting relatives.

Ray Jordan journeyed over to Ormond via. auto for the week-end.

We have had numerous inquiries as to the wherefor of "Mac's" interest in the coming poultry show of the County Fair.

Miss Sara Chase spent the week-end at the "Summers."

Eustis Team Helpless Before Marvelous Team Work and Shooting of Varsity.

Saturday night the Varsity basketball team took Eustis into camp by a large score. The game was played in that city. Eustis was out played by a large margin at every stage of the game. Tho defeated and hopeless the Eustis lads put up a game that had one redeeming feature—fight. The brilliant team work of Coach Hollander's warriors kept the Eustis boys in a desperate scramble for the ball. While the game was peppery and interesting to watch, the spectators were never in doubt as to the final outcome, and as to who would carry off honors.

The game was a clean one without any unpleasantness to mar the occasion. Stetson registered four counters before the Eustis squad got started. After that Eustis braced and took the offensive; all, however, to no purpose. The score at the end of the first half was 22-7.

During the final period every man on the varsity sprung into the stellar role. Stetson found the hoop for the double counters with regularity in spite of all the opposition of the Eustis boys. Several points were annexed via, the free throw route. Gardiner did all the free throwing for Stetson, and tossed 'em thru with neatness and dispatch. Ten points were gathered in this manner. Rutherford, the little fellow playing center lead in the scoring having 8 baskets to his credit. Miller played a consistent game and covered the floor in dazzling fashion. Of Walkers' and O'Connell's guarding nothing need be said. One thing can always be taken for granted, those boys are "there." Minter was put in during the last three minutes as guard and made two baskets. Good thing he wasn't in all the time. Someone's reputation might have suffered by comparison.

For Eustis, Gustavenson and Emerson put up a good game at forwards, as in fact did the entire team in their respective positions. Eustis needs no alibi. Their men put up a battle royal, but were simply outclassed by a heavier and better trained team.

The score was Varsity, 60; Eustis, 14.

EDITORIAL.

Co-operation—That is the mystic word which spells success. Like the poet, however, we "have sought" but we "seek it vainly." There doesn't seem to be any such "animule." We feel it to be a self-evident fact that the college paper above all things should be supported. Some seemingly, do not see this in the same light. Here is the situation. Let us give an example, and along side of the illustration kindly allow us to justify ourselves to some degree.

The staff has never used its influence and position as a means of advancing self in any way whatsoever; never hesitating in giving advance advertising and write ups to all events, we have never hesitated to request that we be met at least halfway. Whenever out of kindness of heart the management of an activity has presented us with several "comps" we have thankfully received and used them. On the other hand when only one has been given, it has invariably been given to a reporter, who attended the function or attraction with but one idea—to write it up for our columns.

When however the attraction is one in which we are least interested of all school activities and we are refused a complimentary ticket with which to send a staff representative we are in a quandary. Especially is this true when other papers get as high as 3 tickets.

For all this we are sorry and are willing to accept our share of the blame. It may be that a write up in our columns is undesirable. Perchance we do more harm than we do good. We do not set ourselves up as competent judges on that point.

We will say this, dear reader, we like to feel that our efforts are appreciated even tho the result be not the best. Reciprocity has always impressed us as a beautiful word. We believe in carrying it into the hazy realms of intent and giving our fellow men the benefit of our approbation even in failure if their intentions were good.

After these few words of explanation we sincerely hope that every one understands our position in this matter and that you do not judge us too harshly. Put yourselves in our places. Whenever you fail to see any school activities written up in our columns please ascertain the facts before blaming us.

The loyalty of the Stetson students is now being put to the

crucial test. We are now asked to prove whether our enthusiasm is of the lip or pocket variety. The mass meeting was a success in so far as subscriptions were concerned but it yet remains to be seen whether or not all such subscriptions will materialize.

The Athletic Association needs your earnest support, not of one kind but of all. If you have paid your part encourage the other fellow to pay his promptly. What the association needs is ready money and no matter how good the promise if payment be to long delayed it is certain to cause embarrassment. Two thirds must be obtained before any definite action can be thought of. It is even to late to outfit the team for its first game, but such must not be the case the next time Stetson crosses bats with a rival.

We owe it to ourselves, to the school, and to the squad representing us that they do us honor in appearance as well as in playing. There is but little doubt if any concerning the playing ability of the squad but the best team in the world would look poorly wearing suits of so many different colors that Jacob's coat would sink into the ordinary in comparison.

Let's see that the team of 1915-16 is a credit to the school in every particular. Let us not be satisfied until we, individually and collectively, have done our utmost to make it so. The rewards will be abundant and if proportioned the

During the afternoon there were music and readings, among the numbers being piano solos by Mrs. Steward, song by Miss Elizabeth Miller, Miss Hazel Fisk, and readings by Miss Chuch. Mrs. Steward's number was particularly enjoyed as the latest treasure of the fraternity rooms is a brand new piano.

Among those invited were Mr. and Mrs. E. B. Solomon, Misses Hyde and Mesdames Martien, Arch Wood, Fisher, Jordan, Steed, Botts, Hulley, Steward, Wright, Conrad, Gardiner, Watts, Haynes, Gumm, Parather Rogers, Carpenter, Smith, Gilliland.

PI PHIS ENTERTAIN.

At their rooms in the Carnegie Library building, Monday afternoon from 3:30 to 5 o'clock the Pi Beta Phi fraternity entertained at a tea in compliment to Mr. and Mrs. E. B. Solomon.

This was one of the most delightfully attractive affairs at which the girls have entertained during the school year, all the mothers and patronesses being asked.

The rooms were beautifully decorated, the work of the pledges.

A big surprise was a large box of candy which Miss Hyde had sent up.

DR. DOAN DIES.

Dr. William Howard Doane, a famous hymn writer, died December 13, 1915, in East Orange, New Jersey.

Dr. Doane spent his winters in DeLand for the past several years. While in DeLand Dr. Doane was a frequent and welcome attendant at the Vesper Services. Through his genial manner he won many friends among the student body. The death of Dr. Doane came as a shock to the students of Stetson University.

The COLLEGIATE, on behalf of the Students, desire to offer its sincere sympathy to Dr. Doan's friends and relatives.

THE QUESTION.

There is a constant, aggressive and scornful question going the rounds of the campus, especially on the part of the sophomores. "When are those measley freshies going to hang up their banner? Do you suppose they have really lost their nerve and decided that discretion is the better part of valor? Let em put it up and then watch what a real class can do."

Class of '19 this ought not to be. Are these accusations true? Of course, it is your prerogative to select the time for this event but there will be small honor in it to select the last day of the school year, and in this dastardly way conquer an enemy who has departed in disgust. Fling out your banner boldly to the breezes and give the lie direct to the domineering sophs. We are all with you save the Sophs, and they soon will be. Don't, however, let them frighten you. Come on, cheer up. Up with the banner of 1919 and let us see the scrap. The entire school has its eyes upon you.

FORMER STETSON PROFESSOR DEAD

It will be of interest to many old Stetson students to learn of the death of Prof. Henry C. Hill, at one time Professor of Law in Stetson.

Mr. Hugh R. Adair of the Vernon Law Book Co. of Kansas City Mo., brings this news.

Since leaving here Professor Hill has been connected with the University of Missouri Law School and the Kansas University Law Department. The deceased was a member of the faculty at the latter institution at the time of his death. Prof. Hill was at Stetson during the years of 1905-07 and was a successful instructor wherever he worked. Mr. Adair studied under him at the University of Kansas.

LAW SCHOOL IMPROVEMENT

Prof. Ralph P. Bauer has secured permission from Prof. Horace Kent Tenney, former professor of the University of Chicago Law School, and also former President of the Illinois Bar Association, to use a text on Florida Practice adapted from Prof. Tenney's course on Illinois Practice.

OPEN HOUSE.

Delta Mu Chapter of Sigma Nu extends a cordial invitation to all, both faculty and students to an open house Saturday the 22d, from 10 to 12 a. m. A general good time is promised to all.

NOTICE.

Don't forget the basketball game Saturday night in the Cummings Gymnasium. The Varsity meets Duval High at that time and from all the dope the varsity will have their hands full in handling the youngsters. Every one should be out to see it. Don't miss this game.

William Lourcey spent Saturday and Monday hunting for deer. Bill failed to locate the deer but he brought back another marvelous yarn. Inquire of Lourcey. It is well worth the trouble.

FIRST PRACTICE GAME

Wednesday afternoon was played the first practice game of the season. Old heads and rookies were placed on both teams to even things up a bit. Since neither side changed catchers we will designate each team by its catcher. The batteries were Palmer and Johnson for the Johnsonites and Haskins and Lourcey for the Lourceytes. The Lourcey crew took the field and the game was on.

First inning.—Liddell grounded to second and was safe on an error. Walker bunted to pitcher. Safe all round when Browning muffed. Beaulieu flew out to pitcher. Daniel grounded to pitcher, but was safe on Haskins' error. Thompson fanned. Liddell scored on second's error. Gorman whiffed. No hit; one run.

Browning walked. Bradley flew to left. Lourcey flew to right. Flagg singled. Gardiner singled, and Browning and Fagg scored. Burdick grounded to first. Two hits; two runs.

Second Inning.—Palmer flew out to first. Gross flew out to center field. Minter fanned. No hits; no runs.

Haskins singled. Hon flew out to center field. Barstow fanned. Browning grounded out to second. One hit; no run.

Third Inning.—Liddell grounded out to second. Walker reached first on error. Beaulieu reached first by being hit. Daniels bunted and out at first. Walker scored on second baseman's error. Palmer flew out to left field. No hits; one run.

Bradley fanned. Lourcey fanned. Fagg hit for two bases. Gardner fanned. One hit; no run.

Fourth Inning.—Thompson reached first on shortstop's error. Gorman fanned. Gross reached first on shortstop's error. Wootten fanned. Thompson out at third. No hits, no runs.

Burdick singled. Haskins fanned. Burdick scored on passed ball. Hon hit for two bases. Barstow reached first on error. Browning flew out to center field. Bradley flew out to left field. Two hits, one run.

Fifth Inning.—Hollander relieved Haskins. Walker grounded out to pitcher. Beaulieu grounded to pitcher. Safe on error. Daniels flew out to catcher. Doss singled. Beaulieu scored. Doss out at second. One run; one hit.

At even innings the Lourceytes were victors 3 to 2.

BUFFET TEA PARTY.

Frances Miller entertained Wednesday, giving a buffet tea party for a few friends. The entertainment was unique, and proved a jolly affair. The party was given at the home of Mr. Miller and he was the only gentleman present. For one evening at least Francis was the center of attraction to no less than eight fair damsels.

The menu consisted of sandwiches, chicken-a-la-king, cake and tea. Everything was prepared by those present, each have a certain portion of the preparation entrusted to their care. An electric toaster and a chafing dish were carefully manipulated by the appointed cooks while another appointee prepared tea in a big urn. From all reports it was a nectar fit for the gods. A most enjoyable time was had

Hart, Schaffner & Marx Clothing

AT FOUNTAINS

by the selfish host and his fair guests.

Those present were: Mrs. H. J. Freeburg and Misses Marguerite Blocker, Mona Bates, Myrtle Conrad, Christine Wideman, Ruby Jackson, Katherine Carpenter and Katherine Harkness.

Early Saturday morning before the sun had begun to light this side of the globe Harry Klingler and Rudolph Peterson went by motorcycle to DeLeon Spring.

They reported that they spent the day in rowing all around the lake endeavoring to find an outlet channel. They say that they are now able to draw a map of this lake and distinctive features on its shore line. One fish was all that they could entice from the water but this was enough for supper.

Undaunted by such experience they have resolved to go again sometime in the near future.

Helen Ake, the hardest student in Stetson, has such a hard time waking up in the morning to study. The other night she borrowed an alarm clock and she was going to wake up sure. Some of her kind and sympathizing friends, fearing she would not hear the one alarm placed five around the room. However the clocks ticked so loud that Helen heard them so she put them all outside of Thelma's door. So Thelma was aroused by the blast of six alarm clocks in the morning.

When asked to contribute a joke to a "lit" paper, Miss Bangs promptly said, "If women could vote, would Sara vote for Bryan?"

Girls, skip this paragraph! It is really unfit for publication. It got into my letters by mistake, and I asked the printer to destroy it or set it up wrong side up:

We are glad to have Ruth Stewart with us in school again.

We have an athlete in Chaudoin whose light has been hidden under a bushel. Saturday night Marcia jumped clear from the second story bed and didn't kill herself, she was asleep too.

Miss Reva Fletcher spent the week-end with Mary Walters.

Young desires to call attention to the fact that both he and Doctor Hulley were absent from Chapel on Wednesday.

Prof.—"Well, sir, how did you pass your examinations?"
Swampy.—"With E's, Doctor, with E's."

Tuesday was "Sig" night in Chaudoin—ask Fuller about it.

The Jacksonville Metropolis of Sunday last printed an excellent photo-engraving of B. V. Johnson. This local husky has issued a challenge to any member of the Y. M. C. A. of that city. Go to it "B. V.". We wish you luck.

Everyone will be glad to hear that Dr. Skinner continues to improve and will soon be with us again.

Parson Walker reading the advertisement on a salad dressing bottle, "This dressing is good for lobsters. Dean, won't you have some of it?"

Johnie Canon and "Rat" Browning heeded the call and spent Saturday and Sunday in Palatka.

"Now my son," said the conscientious father, "tell me why I punished you."

"That's it," blundered the boy indignantly. "First you pounded the life out of me, an' now you don't know what you done it for."

Theorem—A poor lesson is better than a good lesson.
Given—The opinions of faculty and students.
1. Nothing is better than a good lesson.—Faculty.
2. A poor lesson is better than nothing.—Students.
3. A poor lesson is better than a good lesson.
